

MICROBIOLOGY, MINOR (0105)

Western Sydney University Minor Code: 0105

Previous Code: SM3044.1

Available to students in other Western Sydney University

Programs: Yes, however the following restrictions apply.

The Microbiology minor is available to all undergraduate students except those enrolled in the Microbiology major.

Microorganisms impact on all aspects of our lives. A microbiology sub-major will equip students with the skills and knowledge of microbiology and molecular microbiology relevant to employment in research laboratories and industries including biotechnology companies, medical and environmental laboratories, food, wine and pharmaceutical companies, quality assurance and scientific sales.

Location

Campus	Mode	Advice
Hawkesbury	Internal	Dr Ryan McQuinn (R.Mcquinn@westernsydney.edu.au)
