This minor provides students with knowledge and skills to work in professional roles in the tourism, heritage and visitor economy sectors. There is a particularly strong focus on sustainable and innovative approaches to travel and tourism. Students will have the opportunity to complete field trips, work on applied projects and learn directly from industry and government experts. The minor also provides a pathway to the Master of Sustainable Tourism and Heritage, allowing students to complete the master program in one additional year of study.

To enrol in the Minor in Sustainable Tourism Futures (Pathway to Master of Sustainable Tourism and Heritage), students must have completed at least 120 credit points and possess a GPA of 5 or higher.
