

# WEB APPLICATION DEVELOPMENT (FOR COMPUTING STUDENTS), MINOR (0151)

Western Sydney University Minor Code: 0151

Previous Code: SM3056.1

Available to students in other Western Sydney University programs?

No

This minor provides a specialisation in developing systems specifically for the world wide web. The minor will enable students to develop systems for their own business or seek employment with a business that requires or already has a web presence. The minor is only available to students enrolled in the Bachelor of Computing or Bachelor of Information and Communications Technology programs.
