International Studies allows students to combine studies from a range of discipline areas, including Asian and Islamic Studies, cultural and social analysis, history, politics and philosophy, and modern languages (Arabic, Chinese or Japanese). The program provides for one semester study abroad during three years of full-time study.

This degree is exclusively for high-achieving students, and will continually challenge you to do even better and build on your academic success.

Students in this program also have the opportunity to complete a semester of study overseas and receive advanced standing towards their majors, minors or electives. They are encouraged to do so but must discuss this with a program advisor.
