The Bachelor of Arts (Pathway to Teaching Primary) is a three year degree specially designed to lead into the Master of Teaching (Primary), an accredited postgraduate teaching qualification. The Bachelor of Arts (Pathway to Teaching Primary) component provides a focussed study in a Major content discipline of your choice as well as opportunity to study an Education Studies Major as a Primary Teaching Specialisation in either English, Mathematics or Science. As well as being equipped with all the necessary elements of an initial teacher qualification, Bachelor of Arts (Pathway to Teaching Primary) graduates are prepared for a wide range of alternate employment opportunities with strong communication and people skills, creativity and capacity for independent thought, flexibility and adaptability in new situations, all increasingly demanded by employers.

The first year of this program is delivered by Western Sydney University The College, as an agent of Western Sydney University, via extended face-to-face hours in smaller learning environments. A Diploma in Arts exit point is also available at the end of the first year of the program.

Graduates of this degree are eligible for direct entry into the Master of Teaching (Primary) via Transition to Teaching pathway. Completion of both the Bachelor's and Master's programs provides a teaching qualification for Primary. Eligible students will receive advice during their final study session in the Bachelor of Arts (Pathway to Primary) regarding how to accept an offer into the Postgraduate program to attain a teaching qualification.
