The BA (Pathway to Teaching Secondary) is a three year degree specially designed to lead into the Master of Teaching (Secondary), an accredited postgraduate teaching qualification. Together, the two degrees provide direct access to a teaching career in four years and improved prospects for career advancement. The Bachelor of Arts (Pathway to Teaching Secondary) component provides focussed study in a teaching discipline, such as English, History, a Language Other than English or Human Society and Its Environment, as well as opportunity to study an Education Studies - Secondary Teaching Minor that develops understandings of contemporary education issues, teaching and learning. As well as being equipped with all the necessary elements of an initial teacher qualification, Bachelor of Arts (Pathway to Teaching Secondary) graduates are prepared for a wide range of alternate employment opportunities with strong communication and people skills, creativity and capacity for independent thought, flexibility and adaptability in new situations, all increasingly demanded by employers.

The first year of this program is delivered by Western Sydney University The College, as an agent of Western Sydney University, via extended face-to-face hours in smaller learning environments. A Diploma in Arts exit point is also available at the end of the first year of the program.

Graduates of this degree are eligible for direct entry into the Master of Teaching (Secondary) via Transition to Teaching pathway. Completion of both the Bachelor's and Master's programs provides a teaching qualification for Secondary. Eligible students will receive advice during their final study session in the Bachelor of Arts (Pathway to Secondary)

regarding how to accept an offer into the Postgraduate program to attain a teaching qualification.

For further information concerning the requirements for secondary teaching, students are advised to consult the Subject Content Requirements for Primary and Secondary Teaching NSW (Abridged) from the NSW Education Standards Authority (NESA).
