Inherent Requirements

There are inherent requirements for this program that you must meet in order to complete your program and graduate. Make sure you read and understand the requirements for this program online.

Inherent Requirements (https://www.westernsydney.edu.au/ir/inherent_requirements/bachelor_of_nursing_inherent_requirements/)

Work Integrated Learning

Western Sydney University seeks to enhance student learning experiences by enabling students to engage in the culture, expectations and practices of their profession or discipline. This program includes a placement or other community-based unpaid practical experience.

There is a mandatory work component required for completion of this program. **Students will be required to meet the requirements of health services where practical experiences occur.**

Existing arrangements for Clinical Practicum with NSW Health, Private Health Care and Not For Profit providers will be continued. These arrangements are formalised in Memoranda of Understanding between Local Health Districts (in metropolitan, rural and remote areas), Western Sydney University and the School of Nursing and Midwifery for the provision of professional practice experience placements in health care facilities. Regular meetings are held with the clinical educators and facilities.

This is an early exit program only. Applicants apply to Bachelor of Nursing or Bachelor of Nursing - WSU Online and exit with the Associate Degree in Health Support award.

4691 Bachelor of Nursing (https://hbook.westernsydney.edu.au/programs/bachelor-nursing/)

4780 Bachelor of Nursing - WSU Online (https://hbook.westernsydney.edu.au/programs/bachelor-nursing/)
