DIPLOMA IN INFORMATION AND COMMUNICATIONS TECHNOLOGY (HEALTH INFORMATION MANAGEMENT) EXTENDED (7141)

Approved Abbreviation: DipICT(HIM)
Western Sydney University Program Code: 7141
AQF Level: 5

CRICOS Code: 094503K

This program is delivered by Western Sydney University, The College as an agent of Western Sydney University.

This program applies to students who commenced in Term 1, 2018 or later.

This program is designed to provide students with the first year subjects included in the Information and Communications Technology (Health Information Management) degree. The inclusion of additional preparatory subjects is designed to assist students in the transition to study at University level. The Diploma is delivered via extended face to face hours in smaller learning environments.

Students who successfully complete this Diploma will articulate into the Information and Communications Technology (Health Information Management) degree with up to one year (80 credit points) equivalent of advanced standing.

For more information on Western Sydney University, The College, please refer to their website.

Western Sydney University, The College (https://www.westernsydney.edu.au/future/study/application-pathways/the-college.html)

Study Mode

One and a half years full-time (four terms). Students will be required to attend the Kingswood or Parramatta South campus for some learning experiences.

Program Advice
