

# GRADUATE CERTIFICATE IN HUMAN AND BUSINESS PERFORMANCE (1942)

Western Sydney University Program Code: 1942  
AQF Level: 8

This program applies to students who commenced in Quarter 3, 2024 or later.

The Graduate Certificate in Human and Business Performance is an online transdisciplinary program offered to local and offshore international students. It integrates psychology and business knowledge to meet the demands of profound global, local and individual economic transformation and uncertainty. The program is designed to upskill and build the capacities of professionals, managers, and leaders to facilitate superior human performance in rapidly changing business and enterprise settings. In the context of new and emerging wellbeing, flexibility, sustainability and innovation economies, you will master key sector competencies and skills in critical decision making, collaborative dexterity and the ability to influence mindsets, attitudes and behaviour to uncover human and business potential. You will apply your acquired skills and knowledge to produce tangible outputs and implement them in your unique, real-world contexts. The program is co-designed and delivered with industry partners in an interactive online format, supported by an engaging range of learning activities, resources and peer communication opportunities.
