GRADUATE DIPLOMA IN DIGITAL HEALTH (4778)

Approved Abbreviation: GradDipDigitalHlth
Western Sydney University Program Code: 4778

AQF Level: 8

CRICOS Code: 0101797

This program applies to students who commenced in 2020 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

The Graduate Diploma in Digital Health provides students with an opportunity to develop advanced skills in healthcare data environments, healthcare software and systems and explore how to integrate ICT innovations to deliver effective, sustainable, safe and efficient multidisciplinary patient-centred healthcare. It provides an entry point to the Master of Health Science (Digital Health) for those who wish to continue on their professional development journey with further studies.

Study Mode

One year full-time or two years part-time.
