

# GRADUATE DIPLOMA IN OBSTETRIC AND GYNECOLOGICAL SONOGRAPHY (4802)

**Effective from:** 2024

**Approved Abbreviation:** GD Obst&Gyn Sonography

**Western Sydney University Program Code:** 4802

**AQF Level:** 8

Graduate Diploma in Obstetric and Gynecological Sonography

This program applies to students who commenced in 2024 or later.

The Graduate Diploma in Obstetric and Gynecological Sonography provides graduate entry training in obstetric and gynecological ultrasound imaging. It integrates online and on-campus learning activities with the students' workplace training in sonography practice. The workplace training will consist at a minimum, of 24 hours a week for the duration of the program (equal to 2300 hours), which is the benchmark set to be considered eligible for accreditation with the Australian Sonographer Accreditation Registry. Students will develop theoretical, practical and professional skills that are essential for the practice of obstetric and gynecological sonography and for further professional development.

## Study Mode

Two years part-time.

## Program Advice

## Inherent Requirements

There are inherent requirements for this program that you must meet in order to complete your program and graduate. Make sure you read and understand the requirements for this program online. Inherent requirements (IR) have been developed for the Graduate Diploma of Cardiac Sonography, which apply to the O&G Sonography program.

Inherent Requirements ([https://www.westernsydney.edu.au/ir/inherent\\_requirements/inherent\\_requirements\\_for\\_graduate\\_diploma\\_in\\_cardiac\\_sonography/](https://www.westernsydney.edu.au/ir/inherent_requirements/inherent_requirements_for_graduate_diploma_in_cardiac_sonography/))

## Accreditation

The Graduate Diploma in Obstetric and Gynecological Sonography program has Professional Accreditation with the Australian Sonographers Accreditation Registry (ASAR). Graduates are eligible to register as an accredited O&G sonographer.

Applicants must have successfully completed an undergraduate degree in natural and physical sciences or health, which includes at least two subjects in human anatomy and physiology.

Applicants with an undergraduate degree in another field will be considered for admission if they can demonstrate greater than 12 months full time work experience in directly related obstetrics and gynecological assessment (which must be supported with a statement of service for all work experience listed).

Applicants must secure a minimum of three days of work (training) in obstetric and gynecological sonography each week for the duration of the program. Written verification of work (training) must be provided to the university two weeks prior to the commencement of the program.

Applicants seeking admission on the basis of work experience MUST support their application with a Statement of Service for all work experience listed on the application.

Statement of Service ([https://www.westernsydney.edu.au/content/dam/digital/pdf/Statement\\_of\\_Service.PDF](https://www.westernsydney.edu.au/content/dam/digital/pdf/Statement_of_Service.PDF))

One additional entry requirement applies for NZ students only: successful and full completion of an MRTBNZ approved cultural competency (Māori) module two weeks prior to online commencement of the program.

MRTBNZ cultural competency (Māori) (<https://www.mrtboard.org.nz/pre-registration/overseas-trained/>)

## Additional Information

Applications from Australian and New Zealand citizens and holders of permanent resident visas must be made via the Universities Admissions Centre (UAC). Use the links below to apply via UAC or Western Sydney University. Applications made directly to Western Sydney University do not have an application fee.

Applicants who have undertaken studies overseas may have to provide proof of proficiency in English. Local applicants who are applying through the Universities Admissions Centre (UAC) will find details of minimum English proficiency requirements and acceptable proof on the UAC website. Local applicants applying directly to the University should also use the information provided on the UAC website.

<http://www.uac.edu.au/>

<https://westernsydney.uac.edu.au/ws/>

Overseas qualification must be deemed by the Australian Education International – National office of Overseas Skills Recognition (AEI-NOOSR) to be equivalent to Australian qualification in order to be considered by UAC and Western Sydney University.

Course	Title	Credit Points
<b>Year 1</b>		
<b>Autumn session</b>		
RADI 5001	Physics for Diagnostic Ultrasound	10
RADI 7019	Practice of Obstetric and Gynecological (O&G) Sonography 1	10
<b>Credit Points</b>		<b>20</b>
<b>Spring session</b>		
RADI 6001	Pathophysiology in Diagnostic Ultrasound	10
RADI 7020	Practice of Obstetric and Gynecological (O&G) Sonography 2	10
<b>Credit Points</b>		<b>20</b>
<b>Year 2</b>		
<b>Autumn session</b>		
RADI 6002	Research Foundations for Sonography	10

RADI 7021	Practice of Obstetric and Gynecological (O&G) Sonography 3	10
<b>Credit Points</b>		<b>20</b>
<b>Spring session</b>		
RADI 7022	Practice of Obstetric and Gynecological (O&G) Sonography 4	10
RADI 7023	Applied Obstetric and Gynecological (O&G) Sonography	10
<b>Credit Points</b>		<b>20</b>
<b>Total Credit Points</b>		<b>80</b>
