

MASTER OF APPLIED FINANCE (2759)

Approved Abbreviation: MAppFin
Western Sydney University Program Code: 2759
AQF Level: 9

CRICOS Code: 079262C

This program applies to students who commenced in Quarter 3, 2016 or later.

The Master of Applied Finance prepares students for executive careers in finance, banking and property investment sectors. It provides students with the opportunity to acquire technical knowledge necessary to function in an evolving and increasingly sophisticated financial environment with an emphasis on the practical application of these techniques. The degree exposes students to modern theoretical approaches. All of the subjects have been developed by individuals who are actively involved in the financial and investment sectors. Applicants will find having a background in Business or Commerce advantageous. The program length and structure varies based on previous qualifications and work experience. On enrolment to this program, based on previous study and work experience, students can follow either a 160 or a 120 or an 80 credit point entry pathway allowing them to graduate on completion of the relevant credit points with a Master of Applied Finance. Students may also exit the program on completion of 40 credit points with a Graduate Certificate in Applied Finance or on completion of 80 credit points with a Graduate Diploma in Applied Finance.

Early Exit(s)

Students may exit this program on completion of 40 credit points with a 2760 Graduate Certificate in Applied Finance (<https://hbook.westernsydney.edu.au/programs/graduate-certificate-applied-finance/>) or on completion of 80 credit points with a 2796 Graduate Diploma in Applied Finance. (<https://hbook.westernsydney.edu.au/programs/graduate-diploma-applied-finance-exit-only/>)
