

MASTER OF MANAGEMENT (2797)

Approved Abbreviation: MMgt

Western Sydney University Program Code: 2797

CRICOS Code: 092788G

This program applies to students who commenced in Q3, 2016 or later.

Through the Master of Management, Western Sydney University offers a study of contemporary management theory and practice in a global and Australian context. Within a program of integrated study, students utilise strategic analysis and examine strategic options, to assess how individuals, systems and procedures, can most effectively operate. Throughout the program students examine and reflect upon the management techniques and strategies required for effective leadership. Our program of learning encourages students to take responsibility for their learning and to engage with the wider community, business and government.

Study Mode

One year full-time or two years part-time.

Accreditation

This program is accredited by the Association to Advance Collegiate Schools of Business (AACSB).

Admission

Applicants must have successfully completed a graduate certificate, or higher, in a business discipline;

Or

Successfully completed an undergraduate degree in a Business discipline (specifically management, operations management, entrepreneurship, managing the environment, business analytics, compliance management, leadership, strategic business management, organisational development or related discipline) with a GPA of 5.0 or WAM (Weighted Average Mark) of 65+ (if provided on the academic record);

Or

Successfully completed an undergraduate degree, or higher, in any discipline and a minimum of two years full-time equivalent senior managerial work experience in roles determining or facilitating an organisation's goals or strategies, resource management and business control, directing a part of a business, managing the environment, developing resources across organisation units and divisions, or in related roles;

Or

Successfully completed an undergraduate degree, or higher, in any discipline and a minimum of five years management work experience in unit and project management and supervision, managing stakeholders or in related roles.

Applicants seeking admission on the basis of work experience must support their application with a Statement of Service for all work experience listed on the application.

Statement of Service form (https://www.westernsydney.edu.au/content/dam/digital/pdf/Statement_of_Service.PDF)

Work experience will require validation by the relevant employer and cannot be used both as a means of admission and as the basis of an application for advanced standing. Work experience will be evaluated to assess whether prospective students have demonstrated a verifiable capability in management such that they are enabled to undertake the discipline-specific learning contained in this Masters-level program. This criterion is impacted directly by the requirements of a curriculum that addresses AQF Level 9 knowledge and skill outcomes including a stipulation that graduates have cognitive skills to demonstrate mastery of theoretical knowledge in management and to reflect critically on theory and professional practice or scholarship.

Applications from Australian and New Zealand citizens and holders of permanent resident visas may be made via the Universities Admissions Centre (UAC) or directly through the Western Portal. Use the links below to apply via UAC or Western Sydney University. Applications made directly to Western Sydney do not have an application fee.
