Work experience will require validation by the relevant employer and cannot be used both as a means of admission and as the basis of an application for advanced standing. Work experience will be evaluated to assess whether prospective students have demonstrated a verifiable capability in management such that they are enabled to undertake the discipline-specific learning contained in this Masters-level program. This criterion is impacted directly by the requirements of a curriculum that addresses AQF Level 9 knowledge and skill outcomes including a stipulation that graduates have cognitive skills to demonstrate mastery of theoretical knowledge in business information management and to reflect critically on theory and professional practice or scholarship.

Applications from Australian and New Zealand citizens and holders of permanent resident visas may be made via the Universities Admissions Centre (UAC) or directly through the Western Portal. Use the links below to apply via UAC or Western Sydney University. Applications made directly to Western Sydney do not have an application fee.
