

UNDERGRADUATE CERTIFICATE IN PUBLIC HEALTH SUPPORT (7171)

Approved Abbreviation: UGCPubHlthS
Western Sydney University Program Code: 7171
AQF Level: 5

This program has been suspended from 2023.

This program applies to students who commenced in Block B, 2021 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For Commencement Year 2020 - please refer to 7171.1
Undergraduate Certificate in Public Health Support (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=7171.1>)

The Undergraduate Certificate in Public Health Support provides an introduction to health sciences, focussing on public health support. Public health professionals are required to assess and respond to emerging public health issues. Public health workers support a variety of settings, including health departments, community organisations, the pharmaceutical industry, corporate wellness programs, centres for disease control, environmental protection agencies and basic research initiatives.

Study Mode

Six months full-time.

Program Advice

Mitchell Liddle (<https://directory.westernsydney.edu.au/search/email/m.liddle@westernsydney.edu.au>)
