BEHV 1009 LIVING, LEARNING AND WORKING ON THE WEB

Credit Points 10

Legacy Code 102502

Coordinator Benjamin Hanckel (https:// directory.westernsydney.edu.au/search/name/Benjamin Hanckel/)

Description This subject prepares students for living, learning and working in a digital society. We examine how the web mediates behaviour, communication and culture in contemporary times. Students learn by participating and enterprising in online spaces as part of a supportive learning community. This subject also provides an important opportunity for students to develop a professional online web presence and identity that is relevant for their university studies, employability and the future of work.
