

BUSM 2047 VENTURE MAKERS FOUNDATIONS

Credit Points 10

Coordinator Inu Rana ([https://directory.westernsydney.edu.au/search/name/Inu Rana/](https://directory.westernsydney.edu.au/search/name/Inu%20Rana/))

Description The world we inhabit is ever changing - and so is the way that we will work in the future. Technology continues to evolve and impact the way consumers, business and government interact. Graduates today encounter an increasingly complex working environment and need to be equipped with the mindset, skills-set and tools to navigate uncertainty and complexity, whilst having the capacity to identify and act on emerging opportunities presented by changing environments. The Venture Makers Foundations subject is a highly innovative, unique transdisciplinary entrepreneurship training and development experience. This subject provides students with an entrepreneurial perspective and the skills that are needed to thrive and navigate disruption. The subject is delivered in partnership with innovative Industry partners and is authentic, immersive, and relevant, enabling students to develop real professional industry networks locally, nationally, and internationally. Students will develop core entrepreneurial skills and enhance their work readiness as they create and design solutions for solving complex, real-world challenges with potentially significant global impact. The subject is available to all bachelor degree students as an elective.
