

CMPL 4005 SPECIALITIES IN TRADITIONAL CHINESE MEDICINE 1

Credit Points 10

Legacy Code 401099

Coordinator Julia Xiao ([https://directory.westernsydney.edu.au/search/name/Julia Xiao/](https://directory.westernsydney.edu.au/search/name/Julia%20Xiao/))

Description This subject provides learning experiences that enable the health professional to analyse, diagnose and treat common gynaecological diseases and musculoskeletal conditions using a Traditional Chinese Medicine (TCM) approach with acupuncture and Chinese herbal medicine. Students will develop a good understanding of the causes and pathophysiological mechanisms of common gynaecological diseases and musculoskeletal conditions.

School Health Sciences

Discipline Traditional Chinese Medicine
