Description Welcome to the dynamic and evolving world of Screen Media. In this subject you will learn how to analyse and critically evaluate cinema, from classic Hollywood to Arthouse and Australian films, along with a range of compelling documentary, animation, immersive and interactive content from around the globe. You'll reflect on the impact of technology and the different approaches to creating and producing powerful content. Inspired by best practice, you will have the opportunity to plan and create simple, short works of your own using accessible media.
