

# COMM 2036 SCREEN AND SOUND PRACTICES 2

**Credit Points** 10

**Legacy Code** 102407

**Coordinator** Maryella Hatfield ([https://directory.westernsydney.edu.au/search/name/Maryella Hatfield/](https://directory.westernsydney.edu.au/search/name/Maryella%20Hatfield/))

**Description** Following on from Screen and Sound Practices 1, this unit introduces students to more advanced principles of screen and sound media production with an emphasis on digital video, new media, and short film drama production. Students develop a depth of awareness about screen language through critical reflection upon classic and contemporary cinemas as well as practical exercises. Through a series of specialised modules and workshops, students continue to develop their knowledge and skills in media production including camera coverage, visual storytelling, genre, narrative, montage, and sound design and editing. The unit is complemented by further technical training in camera, sound and editing software. Students produce a major creative media project for a video work under 10 minutes duration.
