

# HLTH 7007 HEALTH WORKFORCE PLANNING

**Credit Points** 10

**Legacy Code** 400843

**Coordinator** Stewart Alford ([https://directory.westernsydney.edu.au/search/name/Stewart Alford/](https://directory.westernsydney.edu.au/search/name/Stewart%20Alford/))

**Description** This is a flexible learning subject looking at Human Resource Management as a strategic activity of health organisations especially as workforce shortages pose significant challenges to the health, welfare and aged care sectors. The workforce, with appropriate knowledge and expertise, is essential to the efficient and effective delivery of quality health services. Successful organisations shape their workforce to anticipate current and future business directions and goals. Workforce planning is a crucial element of this approach and its success.

**School** Health Sciences
