# LAWS 2005 FINANCIAL SERVICES LAW

#### Credit Points 10

Legacy Code 200271

Coordinator John Chellew (https://directory.westernsydney.edu.au/ search/name/John Chellew/)

**Description** Financial services is one of the fastest growing sectors of the Australian economy. This is an essential subject to understand legal, compliance and regulatory issues relating to the financial services sector in Australia. Students will be introduced to the licensing requirements for entering the financial services sector and the obligations for marketing and offering financial products and financial services to retail and wholesale clients. Students are then introduced to the main techniques of financial services regulation: disclosure, licensing, prohibitions or insider trading and market manipulation, self-regulation and powers of investigation and enforcement.
