Description This subject is designed to increase student knowledge of the Australian taxation law, including capital gains provisions in the income tax legislation. Students will learn how to apply the professional guidelines for tax agents and offer practical advice to clients about their responsibilities and obligations under the law. For example, advice scenarios and potential outcomes with respect to tax evasion and/or avoidance behaviour by clients, incapacity planning contexts, wealth transfer and small business concessions. Student actions and advice will be supported, tested and challenged through a range of case studies, hypothetical client contexts and simulated online examples.
