Description This subject provides students with a capstone research experience in relation to a structured research project. Students will develop and refine their legal research and communication skills by exploring and analysing a legal topic chosen by the Law School. Students will compose a research paper of 5,000 words on an approved topic in law and will provide a 20-minute presentation based upon the completed project. The research project areas will principally focus upon those areas identified by the School of Law in its Research Strategy.
