

NURS 2025 MIDWIFERY PROFESSIONAL PRACTICE 3

Credit Points 10

Legacy Code 401221

Coordinator Kye Porritt ([https://directory.westernsydney.edu.au/search/name/Kye Porritt/](https://directory.westernsydney.edu.au/search/name/Kye%20Porritt/))

Description In this subject students will learn the necessary midwifery skills for the provision of woman centred post birth care. In a simulated practice environment students will gain practical skills to provide midwifery care to both the woman and her baby up until six weeks postpartum. The importance of effective communication and documentation will also be reinforced. This subject will also include blocks of practical experience in designated clinical areas and the provision of continuity of care.

Level Undergraduate Level 2 subject

Pre-requisite(s) NURS 1013 AND NURS 1004

Co-requisite(s) NURS 2022

Equivalent Subjects NURS 2023 Midwifery Practice Experience 3

Restrictions

Students must be enrolled in 4684 Bachelor of Midwifery.

Learning Outcomes

On successful completion of this subject, students should be able to:

1. Provide evidence based woman centred care during the postnatal period including routine postnatal screening tests and correct documentation, under guidance.
2. Undertake safe comprehensive postnatal assessments of women and newborn including planning and performing a discharge, under guidance.
3. Apply effective interprofessional and intraprofessional communication skills related to collaborative practice
4. Discuss a variety of options for optimal breastfeeding positioning and attachment, and for supporting women experiencing difficulties with breastfeeding.
5. Apply principles of safe medication administration with a focus on non-parenteral and parenteral medication.
6. Critique midwifery practice requirements in accordance with legislation, regulations, policies, guidelines and midwifery standards for practice.

Special Requirements

Legislative pre-requisites

Special Requirements - NSW Health Legislative Prerequisites **Pre-requisites**

Student Compliance Information for all Health-Related Placements

Prior to enrolling in this subject, students must have submitted a Student Undertaking Form and undertake to apply for a National Police Check, which is required to be submitted before placement, and a Working with Children Check Student Declaration. Use the link to the Special Requirements webpage below for more information.

To be eligible to enrol in this subject and complete any required health-related placements or experiences, students must meet Western Sydney University program requirements as well as any special, legislated, or policy-mandated requirements.

Western Program Requirements

Visit the Special Requirements webpage for details about your program.

Special Requirements (https://www.westernsydney.edu.au/currentstudents/current_students/enrolment/special_requirements/)

Mandatory NSW Health student placement policy requirements

To be able to undertake placement in any NSW Health facility you must be assessed as compliant with NSW Health student placement policy in the first year of your program, regardless of when you expect to go on your first placement. Access and read the NSW Student Compliance Information Booklet.

NSW Student Compliance Information Booklet (https://www.westernsydney.edu.au/placements_hub/placements_hub/student_compliance/)

Please ensure that you

1. Find your existing National Police Check or apply for one
2. Gather documentary evidence of your vaccination history
3. Print and complete all relevant NSW Health forms relevant to the campus you are enrolled at or online enrolment requirements
4. Follow booklet instructions on how to have your compliance documents assessed by NSW health staff.

International students have additional requirements; the link to the booklet will inform you of these requirements.

School Requirements

Contact your School for further details regarding your School's requirements, if any, such as

- If you live outside of NSW or Australia and need to meet your state, territory or country's compliance requirements
- If you need to meet different state, territory or country compliance requirements.
- NSW Working with Children Check (WWCC) or other state equivalent, valid for your entire program.
- Current approved first aid certificate valid for your entire program - approved program providers can be found at the Government Training website
- <http://training.gov.au> (<http://training.gov.au/>)
- Other non-health related requirements.

Student Compliance Resources are also available on the Placements Hub web page (NSW students only)

https://www.westernsydney.edu.au/learning_futures/home/placements_hub/placements_hub/student_compliance (https://www.westernsydney.edu.au/learning_futures/home/placements_hub/placements_hub/student_compliance/)

Essential equipment

Students will require a calculator for maths in tutorials and CPU; Western Sydney University uniform for clinical placement and final skill assessment, watch with a second hand. Access to an internet enabled device is essential in order to be able to: access course materials; to participate in discussion groups; and to access additional resources provided by the lecturer during the session.

See http://www.westernsydney.edu.au/currentstudents/current_students/services_and_facilities/uwsonline_student_support for further information.

Assessment

The following table summarises the standard assessment tasks for this subject. Please note this is a guide only. Assessment tasks are regularly updated, where there is a difference your Learning Guide takes precedence.

Type	Length	Percent	Threshold	Individual/ Group Task	Mandatory
Professional Task	45 minutes	S/U	Y	Individual	Y
Quiz	Part A - All teaching weeks and Part B - 30 minutes	S/U	Y	Individual	Y
Practical	All teaching weeks	S/U	Y	Individual	Y
Practical Exam	25 minutes	S/U	Y	Individual	Y
Portfolio		S/U	Y	Individual	Y
Professional Placement Performance	Duration: 100% Attendance, 224 Practicum Hours and 15 Continuity of Care hours	S/U	Y	Individual	Y
