

NURS 3005 COLLABORATIVE CARE

Credit Points 10

Legacy Code 401040

Coordinator Hazel Keedle ([https://directory.westernsydney.edu.au/search/name/Hazel Keedle/](https://directory.westernsydney.edu.au/search/name/Hazel%20Keedle/))

Description The Australian College of Midwives and the National Health and Medical Research Council (NHMRC) provide guidelines to assist midwives to recognise when to refer or consult with other midwives or health care practitioners, as well as collaborative care arrangements. This unit provides students with the knowledge to collaborate with all health professionals. This includes assessing procedures for managing obstetric emergencies; transferring women or newborns; assessing referral pathways; and caring for bereaved families.

School Nursing & Midwifery

Student Contribution Band HECS Band 1 10cp

Check your HECS Band contribution amount via the Fees (https://www.westernsydney.edu.au/currentstudents/current_students/fees/) page.

Level Undergraduate Level 3 subject
