

PUBH 3008 DRUGS IN SPORT

Credit Points 10

Legacy Code 400963

Coordinator Karen Lambert ([https://directory.westernsydney.edu.au/search/name/Karen Lambert/](https://directory.westernsydney.edu.au/search/name/Karen%20Lambert/))

Description This subject examines the dominant issues and discourse around the use of drugs in sport. The focus will be on exploring the socio-cultural, political and personal reasons why drugs are used in sport from the perspective of athletes, coaches, administrators and educators. Students will need to continually reflect upon their own practices and beliefs around drug use and sport. The subject offers challenging and relevant theoretical and practical experiences to students from a variety of professional backgrounds.
