

SPRT 3012 SPORT DEVELOPMENT INTERNSHIP

Credit Points 10

Legacy Code 401244

Coordinator Katherine Raw ([https://directory.westernsydney.edu.au/search/name/Katherine Raw/](https://directory.westernsydney.edu.au/search/name/Katherine%20Raw/))

Description The Sport Development Internship provides students with the opportunity to experience the practice of sport development in the workplace through a supervised placement in the sport and active recreation industry. Internships will allow students to relate their acquired academic knowledge and to apply their skills to real-world applications in an industry setting. Students will have the opportunity to observe, develop and practice skills in negotiation, problem identification, program planning, implementation and evaluation in a range of settings. The work completed during the Sport Development Internship also lays the foundations for the Sport Development Applied Project to follow. Students will complete a minimum of 100 hours of placement/internship as part of this unit.

School Health Sciences

Student Contribution Band HECS Band 4 10cp

Check your HECS Band contribution amount via the Fees (https://www.westernsydney.edu.au/currentstudents/current_students/fees/) page.

Learning Outcomes

On successful completion of this subject, students should be able to:

1. Integrate academic theory with real world applications in a professional setting.
2. Evaluate the structures and processes employed in the planning, implementation and evaluation of sports development projects at the organisation.
3. Identify and prioritize organisational areas for development and formulate specific, measurable, attainable, realistic and timely goals that support the development of sport at the organisation.
4. Apply acquired academic knowledge and skills to the development of strategies to achieve set goals.
5. Work professionally and effectively in a team environment to achieve set goals.

Subject Content

1. Work Placement: ~ 100 hours of supervised industry experience
2. During their placements students will integrate the acquired academic theory in sport development with real world applications at their hosting organizations.

3. Working with their hosting organisations, students will also lay the foundation for the Sport Development Applied project to follow.
