

TEAC 7044 ENGLISH LINGUISTICS FOR TESOL

Credit Points 10

Legacy Code 101825

Coordinator Stacey Sherwood ([https://directory.westernsydney.edu.au/search/name/Stacey Sherwood/](https://directory.westernsydney.edu.au/search/name/Stacey%20Sherwood/))

Description This subject provides students with a linguistics background, including English grammar, necessary to excel in English language teaching and assessment. Encompassing the areas of syntax, semantics, morphology, phonology and phonetics, the subject equips students with the technical vocabulary of linguistics and pedagogical grammar as well as the analytical skills necessary to identify and describe both the English language and patterns of performance by second and bilingual language learners. These foundational skills prepare students for success in language teaching, assessment and second language research.
